

K. VINUSH

AI/ML Intern | Python Developer

Coimbatore, Tamil Nadu, India | +91 95665 96999 | vinuxx46@gmail.com | linkedin.com/in/k-vinush

PROFESSIONAL SUMMARY

AI/ML Intern at InfinitetechAI, an AI development and consulting company, currently building a strong foundation in Python programming and core machine learning concepts. Brings a background in visual effects production, with proven skills in attention to detail, structured problem-solving, and delivering under deadlines, now being applied to AI/ML development. Actively working towards becoming a Python Developer and progressing into an AI/ML Engineer role, with a strong commitment to continuous learning in the AI/ML domain.

SKILLS

- Programming: Python (Core fundamentals - syntax, data types, control flow, functions)
- Currently Learning: Machine Learning fundamentals, Data Analysis basics, AI concepts
- Tools & Software: Photoshop, Nuke, Silhouette (compositing & visual tools)
- Core Strengths: Analytical thinking, attention to detail, problem-solving, fast learner
- Work Approach: Deadline-driven delivery, structured workflow execution, team collaboration

EXPERIENCE

AI/ML Intern | InfinitetechAI, Coimbatore

2026 – Present

- Undergoing structured, hands-on training in Python programming and foundational machine learning concepts within a live AI development and consulting environment.
- Gaining exposure to real-world AI/ML project workflows, including how consulting teams scope, build, and deliver AI-driven solutions for clients.
- Collaborating with the AI/ML team on assigned learning tasks and exercises, building practical coding discipline and problem-solving skills.
- Building a working understanding of the end-to-end AI/ML development lifecycle, from data handling to model concepts, as a foundation for future Python and AI/ML Engineering roles.

Prep Department Associate | Futureworks, Chennai

5 Months

- Executed detail-intensive preparation tasks within tight production deadlines, strengthening precision, process discipline, and workflow efficiency.

Roto Artist | AK Studio, Madurai

3 Months

- Performed frame-by-frame rotoscoping work requiring high accuracy and sustained focus, building a strong foundation in structured, detail-oriented task execution.
