

VIGNESH K

Software Engineer

+91 6383870632 ✉ vigneshkk1211@gmail.com 📍 Kallakurichi 🔗 <http://www.linkedin.com/in/vignesh2512>

CAREER OBJECTIVE

“To obtain a challenging position as a Python Developer where I can utilize my skills in Python programming, SQL databases, and problem-solving to contribute to dynamic projects and grow as a software professional.”

EDUCATION

- | | |
|--|--|
| • B.E Electronics and Communication Engineering
Hindusthan Institute of Technology, Coimbatore | CGPA - 8
2022 - 2026 |
| • HSC - Government Higher Secondary School
Perumangalam, Kallakurichi | Percentage - 80%
2021 - 2022 |
| • SSLC - Government Higher Secondary School
Perumangalam, Kallakurichi | Percentage - 83%
2019 - 2020 |

SOFT SKILLS

- Problem Solving
- Team Collaboration
- Adaptability
- Leadership

TECHNICAL SKILLS

- **Key Skills:** Python (OOP, Pandas, Numpy)
- **Additional Skills:** SQL
- **Developer Tools:** Git, VS Code, Pytest, Jupyter

PROJECTS

Smart IoT and Remote Sensing Approach for Real-Time Crop and Soil Monitoring *Apr 2026*

- Currently developing an IoT-based solar-powered smart irrigation system using ESP32, integrating soil moisture, temperature, humidity, and water level sensors with Blynk app for real-time remote monitoring and automated crop management.

Tech Stack : ESP32 | Arduino IDE | Blynk IoT | Wi-Fi | Solar

Rent Calculator in Python *Dec 2025*

- Developed a Python tool to split rent and utilities among roommates.
- Supported equal and custom rent division based on user input.
- Implemented input validation and clear, formatted output.

INTERNSHIP & WORKSHOP

- **Wire-cut EDM Machine Operator (15 Days)** - Internship at CAMTECH SOLUTIONS, Padi, Chennai.
- **PLC-Programmable Logic Controller (30 Days)** - Internship at MASTER LINQUE AUTOMATION India Pvt. Ltd, Avadi, Chennai.
- **Embedded IoT and Industrial Automation** - Internship at TARAS SYSTEMS AND SOLUTIONS, Bengaluru.
- **Innovation and Integration in Neural Networks and Timing and Power Optimization in VLSI** - Workshop at Karpagam Institute of Technology, Coimbatore.

COURSES & CERTIFICATIONS

- **Python for Data Science** - IBM
- **SQL Concepts & Queries** - Infosys Springboard
- **C for Beginners, Advanced SQL, Python Fundamentals** - Great Learning
- **Introduction To AI Concepts, Machine Learning** - Microsoft
- **Typing Skills** - Typing.com
